April 2015

### Presentations plus Workshops prove to be successful

This year the League has paired the monthly presentations with workshops offering members an in-depth experience of the artists/presenters' work. The hands on workshops have been well-attended and we look forward to more of these pairings in our next year.

## President's Message

April comes so fast! What a great season we have had. We started our season with a successful open house in October which we called "Show and Sell". We followed that with several excellent demonstrations at our monthly meetings. This year we also started a new program of 3 hour workshops the week after each demo. These proved to be a good way to let members try new art techniques. We were able to keep the cost to members low, while raising a little money for the club and for our host, the Lake Eustis Museum of Art. Using this model, we have lined up what I think will be an exciting series of demonstrations and workshops for next season.

I would like to thank the board for their hard work and all the members who came out and supported our programs this year. Have a great summer everyone!

*Marvyn*

## Carrie Ann Knupp Art Chosen for Publication

Northlight Books Nationwide Competition for their upcoming Art Book entitled "Incite 3, The Art of Story Telling", is a hardbound showcase of the best in mixed-media expression.

Eustis Art League member Carrie Ann Knupp's encaustic piece entitled: The Golden Veil, has been chosen, and will be Published in the upcoming Northlight Book series this September. The Golden Veil will appear in this book, along with a 100 word story that Carrie has written describing her journey through Widowhood, and how this piece relates to this subject. It is her hope, that her story, through her art, can help someone else through their own journey of losing a spouse.

**Remember – you can still bring good art/craft supplies to the meetings to donate to local schools.**
