President's Message

As this season comes to an end I think about what I've learned this year and hope I've served you well... I'd like to say now I'll enjoy doing it again next year, and also say in advance that it will be my last, so if anyone is interested in learning the job before my year is up please let me know so we can get you involved now. This job isn't meant to be a long term position, and I don't intend to over stay my welcome. I am already ready to pass the torch — who's ready to catch?

Local Art News

Eustis Memorial Library

Verla Goudy is the featured artist for the months of March and April. She is displaying several of her award-winning photographs.

This is the up-dated schedule for the library featured artists.

March/April Verla Goudy
May/June June Longnecker
July/August Carrie Knupp
September/October..... Laura Oakes
November/December ... Diane Damon
2018

January/February Jan Krassner

The procedure for taking your turn is to contact the artist you are following and arrange to meet at the library at the end of the month so that you could help each other take down the existing work and put up the new work. We would like to ensure that there is always a display for library patrons to view.

In Verla's absence (snowbirds have to fly north), Nancy Rich has agreed to help with the change-outs at the library.

Her email is nancyrich64@yahoo.com and her phone number is 352 459-5234.

Show News:

Some new categories have been set for next year's annual members show to be held in February 2018. The 7 categories for prizes will be: Watercolor; Painting (Acrylic, Oil or Pastel), Graphics (colored pencil, mixed media, printmaking and digital), Mixed Media, 3 Dimensional, Small Works (6"x 8" or smaller including frame) and Photography.

Eustis City Hall

The artwork we display in the main hallway at city hall has been removed to allow for the Viet Nam Memorial Wall.

We have work in the side hall and have newly added work by Elizabeth Mullen, who recently joined the league.

Remember – you can still bring good art/craft supplies to the meetings to donate to local schools.

PHOTOGRAPHY PRESENTATION

Last month's meeting, we heard a presentation on photography by Robert Johnston. He was very informative, in particular for taking photographs of our art work and presenting it in "the best light."

The follow-up workshop had five participants. He detailed the settings for our cameras so as to get the best possible photographs of our paintings and three dimensional work.

Jennifer Harper won the award for "Best Emerging Professional Printmaker" at the "SGC International" conference in Atlanta March 15-18th.

This was for the 'members print exchange'
There were many other competitions.

This is the print she submitted:
