WORTH A THOUSAND WORDS

There is a vitality, a life force, an energy, a quickening that is translated through you into action, and because there is only one of you in all time, this expression is unique. And if you block it, it will never exist through any other medium and will be lost.

President's Message

We are starting a new year and a new decade. Hopefully we will be able to enjoy lots of time in artistic pursuits.

Did you get a chance to work on your entries for the members' show? The deadline is only a month away.

I want to take this time to thank all the board members who have given their time and efforts to make your art league a very successful one. There are jobs for you to help with, especially with the up-coming show.

Happy New Year.

How Can You Help The Art League?

The league runs on the efforts of volunteers. It provides programs and activities in support of your art.

Now it is your turn to volunteer.

You are invited to attend board meetings to participate in the management of the league. The current executive board will finish their terms at the end of March.

Without an executive, there can be no league.

Next board meeting will be January 30.

Contact Verla Goudy for details.
