November 2017

Steamroller Printing at LEMA a Great Success!

Jenny Harper was the mastermind behind the project, joined by Marvyn Rivett, Richard Colvin, Krysta Smith and Louise Gardella and members of Jenny's Open Press group.

Large scale prints, using different techniques for preparing the plates, inked and set before the steamroller acting as the printing press.

The results will be displayed in a show at LEMA.

President's Message

In November we become more aware of the things and people we have because we are thinking of what to be thankful for on Thanksgiving. So this year, I think of all the people that help me on the board and committees of the Eustis Art League and the Lake Eustis Museum of Art. I am thankful for those that are selfless and think of the greater good. Sure, we're not curing cancer or changing the world, but we are making the lives of a lot of people in Lake County, Florida much better and that is what matters to me. Thank you,

Krysta
