

WEBSITES FOR ARTISTS

FREE DEMONSTRATIONS

Learn about what is needed to display your artwork on a website and the options available to help you. Find out what a domain name is and why you need it. Discover the services that Ciniki offers to artists and how it can help you better manage the business of being an artist.

FREE WORKSHOPS

Hands on help to get started with Ciniki to manage a Catalog of your artwork and present it on your own website. Bring your laptop or iPad and we will setup your account and show you how to add and remove photos to your catalog. You will go home with your own website that you can change anytime you want. Following the workshop, you may use the software free for one month. If you choose to continue using Ciniki, the cost is only \$10 per month.

These demonstrations will be led by Andrew Rivett, computer programmer and owner of ciniki.com. Sponsored by Eustis Art League and Leesburg Art Association.
