To be able to place news in the newsletter we need to receive the information by the first of the month. If the event is not in by the first of the month we will do our best to place it in an email to our members.

Publicity: We have received 203 likes on facebook.

Revolving exhibits: Peggy's work has been installed in the Library. City Hall has been decorated with work from Ronnie Bell, Jennie Harper, Belinda Wright, Charles, Marvyn, and Liz. Lynne Nash has volunteered with her sister to help Verla with any additional exhibits.

Workshops: Krista will be hosting the Saturday workshop on social medium. Eileen Hinkle was awarded the purple pen and clip board to assist her with her workshop duties.

Annual Show: We went over all the responsibilities there are in presenting an art show. How it was imperative we volunteer our time and talents to make this art show a success. This will be the first year we will be holding it for a whole week. All participants and able members are needed to give our artists the show they deserve. We will be adding a new category this year called small works. The art work's maximum size is to be 8 x 8; outside frame maximum size should be 12 x 12. Applications for the show were handed out, all applications need to be in by the end of next month's meeting. The new poster for this year's art show was revealed. Everyone was impressed with how nice it was. The picture for next year's poster will be the art work of whoever wins the People's Choice Award.

Old Business: There was not any old business to attend to.

New Business: Marvyn requested we purchase an 800 projector from DK for \$615.59 to help with our presentations and workshops. Lema will be sharing the projector. Martha will donate a screen. Jackie made a motion to buy the projector and Krista second it.
