President's Message

Welcome back! I hope everyone had a good summer. The 2013/14 season looks like a good one for members of the Eustis Art League. We have an exciting line up of presenters for our second Saturday meetings. The topics cover several themes and all media. Our workshop committee has booked a highly rated teacher to lead a workshop in February. Martha has agreed to chair our show committee and is already working on plans for this year's annual show. First Friday Galleries will continue to occur giving us a venue to showcase club talent and advertise club events to the Eustis community. Krysta Smith has created a presence for us on Facebook and the new website is working well. It has room for every member to have a personal gallery of their work.

I'm looking forward to working with all of you to support your artistic endeavours and to continue our tradition of "the friendliest art club in Florida".
